

I am a US citizen. The airwaves are our public goods. Sinclairs stations uses our airwaves, free of charge. And now with this order to demand their affiliates to preempt shows to play "Stolen Honor" is a violation of the public trust. They are purposefully, and unfairly influencing an election.

A fair election is a fundamental process for our way of life, thoroughly American. I demand that the FCC stop Sinclair from this action and any future actions of this nature.

This action is NOT an exercise in free speech. No one is arguing that they affiliates can play "Stolen Honor" at their own choice. Let them make their own decisions in their own markets, and reap the rewards or benefits from their viewers.

This action is coercion to influence an election.

The citizens of the United States will not be fooled by the FCC if you do not take action. We will not be silenced by petty politics. We know our rights. We know our laws. The FCC must hold Sinclair accountable.
